[Returned the call, but no answer or opportunity to leave a message.

The email I sent was rather comprehensive, and included many links to published information and evidence.

I am an author, visual, and ASCAP registered songwriter and publisher. I can be found on BlueSky with 14,900 followers and growing, as well as 151 videos on my official artist YouTube channel, 900 published literary works on DeviantArt, five albums on Bandcamp. A wealth of information can also be found on the Internet Archive, including transcripts using Truecaller and E2PDF, following the guidelines

Will be attending a rally for James Talarico on Friday, and have volunteered my services to Kat Abughazaleh's campaign in Chicago.

Equal rights for all is the demand that will be met, regardless of the resistance of the abusers - the hypocrites and psychopaths.

We are the Good Peoples of the Earth

They are those who have chosen to spend their limited time alive making profit off of the suffering of others

Have a pleasant day, Taylor.]
